7.	01 July 2017	LT 61 [redacted]	<p>1. This is my second visit as an allottee to the site & comparing from the previous visit two years back, there is a <u>sea-change</u> w.r.t the progress of work.</p> <p>2. The <u>positive</u> vibrations in the atmosphere as well as the staff working cohesively towards completion of work is very evident.</p> <p>3. Please keep up the excellent tempo of work.</p> <p>Thank You So Much.</p> <p>[Signature]</p> <p>LT 61 [redacted]</p>

47 713	G1 [redacted]	<p>1. My compliments to PD for taking pains on behalf of us to finalised the speedy up job. A well done so far. Few points for considerations</p> <ol style="list-style-type: none"> Lepages shown particularly at 50th & 51st floor inside & outside Both room floor slopes are to be tapered to the drain Door are having gap & some of the frames need to be changed due to bend seen In parking the Column pillar instead of rectangular need to be reinforced so that while stacking the car putting some padding need to be done. All the frame of windows & manholes work gap need to be checked for full proof sealing. The master bed room skirting area needed to be treated so that it have a long time purpose All place where on masonry and gap is little less than 6mm some safety mesh to be pasted and cautionary note to be placed <p>Thank you for the cooperation & support for all the action been considered</p>	<p>11/11/17</p> <p>[Signature]</p>
